

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Lauren Stevens
CommenterCity	Concord
DateReceived	10-04-2017

### CommenterWords

I do NOT support the Northern Pass, at all, and especially not through the New Hampshire capital. I support renewable, clean energy, and I am prepared to change my life to accommodate for the necessary changes.

I have already begun making many changes but want my government's help in implementing them widely and quickly.

All the best,  
Lauren
