SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Travis Boucher
CommenterCity	Concord
DateReceived	10-04-2017

### CommenterWords

As a local resident of concord, NH, I am against the massive impact the Northern Pass will have and do not want it build through Concord NH. The scale of the project will have significant visual and aesthetic impacts within our state capital. The additional adverse impacts to natural resources is also concerning.

I support our city councils objection to having the Northern Pass run through Concord, NH.

Thank you,

Travis Boucher  
Concord Resident
