Subject: Northern Pass will hurt NH

Jane Williamson
PO Box 15
North Sutton, NH 03260

October 9, 2017

Dear Pamela Monroe,

Digging up the WMNF and our downtown Plymouth, erecting hideous towers & decimating our trees will detract enormously from the beauty of NH, hurt tourism and our quality of life. Most NH citizens HATE this project. Don't undertake it just to make a couple of southern New Englanders happy. Listen to the people!

Sincerely,
Jane Williamson
