

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Katrina Wells
CommenterCity	Bow
DateReceived	10-10-2017

### CommenterWords

I am opposed to the Northern Pass and the environmental damage it will cause and beauty it will destroy. I want to preserve what is left of the environment, and supplement our fuel demands from a growing population in other ways, such as exploiting oil reserves or further exploring alternative energy,
