Subject: Oppose Northern Pass

Mary Moore
37 Pasture Lane
Pelham, NH 03076

October 11, 2017

Dear Pamela Monroe,

This massive project will change the way of New Hampshire forever. Not only will it's scenic beauty be affected but the people will lose faith in their government and elected officials to do the right thing. The people of New Hampshire do not want it here, do not want the cost of this project. I stand opposed to Northern Pass.

Sincerely,
Mary Moore
