SEC Docket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Joanne Bates
CommenterCity	Belmont
DateReceived	10-26-2017

CommenterWords

Northern pass does not benefit NH. Economically or ascertically . It is wrong across the board. It is not the best solution. Let us wait and see something better. Scrap this bad bad proposal and be in search of something that is "right" from the beginning, not full of lies and deception which will scar our state.
