Dear *Administrator Pamela G. Monroe,*

I am writing in COMPLETE OPPOSITION to the Northern Pass project. Not only will Northern Pass affect the BEAUTY and UNIQUENESS OF OUR STATE OF NEW HAMPSHIRE which is OUR FINANCIAL SECURITY but there will be COMPLETE DISRUPTION of LOCAL BUSINESSES THAT HAVE INVESTED IN OUR STATE. MANY WILL SUFFER FINANCIAL RUIN. MAIN STREETS ARE BEING DEVASTATED WHEN OTHER ROUTES ARE POSSIBLE. NEW HAMPSHIRE IS KNOWN FOR ITS BEAUTIFUL TOWNS WITH LOVELY COMMONS. TOWERS WILL RUIN OUR LANDSCAPES AS POWER COMPANIES MAKE MILLIONS.

THIS IS ALL BEING ALLOWED TO BE DONE BY A FOREIGN GOVERNMENT WHOSE LAWS WILL THEN BE USED FOR REGULATION. IN OUR TOWN WATER PIPES AND GAS PIPES WILL BE IN CLOSE PROXIMITY TO THE NORTHERN PASS PIPES.

WHAT IS THE RUSH FOR COMPLETION WHEN OUR COUNTRY HAS BETTER GREEN ENERGY TECHNOLOGY?? NEW HAMPSHIRE DOESN'T NEED THE ENERGY. IN STATES SOUTH OF US IT HAS BEEN PROVEN THAT POWER COMPANIES HAVE SHUT DOWN SO THAT IT APPEARS TO BE A NEED?

WHERE IS THE COMMON SENSE OR FORWARDLOOKING DECISION MAKING WITH OUR ELECTED OFFICIALS?? WE ELECTED THEM TO PROTECT OUR CITIZENS, OUR LOCAL BUSINESSES AND OUR STATE.

MOST SINCERELY,

*Judy Floyd*
