Subject: NO TO NORTHERN PASS

Dear Ms. Monroe,

As a resident of the Great North Woods, I vehemently oppose the Northern Pass.

I live in this part of our state because of it's natural beauty, but then, that could be said of the entire state of New Hampshire. People come from all over the world to see our natural beauty; and the folks of the North Country and the Great North Woods especially, count on the dollars from tourism to survive. Those ugly towers would spoil some of the most pristine, wonderful views in our state.

I urge you to consider the terrible ramifications which would be inflicted by this boondoggle project. There are other alternatives which could supply power to Massachusetts and avoid corrupting the beautiful state of New Hampshire.

Respectfully,
Ann Florio
