Dear Pamela Monroe,

I love New Hampshire because of it's beauty. Land is set aside to keep New Hampshire wild and beautiful. I am opposed to Northern Pass because it will make a mess of part of our beautiful northern landscape. Trucks driving up and down the land and carting all the poles and wire needed for the project will disturb the wildlife that has nowhere else to go. The landscape will forever be changed. I don't want that. I want to save the beauty of New Hampshire for future generations to enjoy. Northern Pass is bad for New Hampshire.

Sincerely,
Alice Goddard
