Deerfield, NH 03037

November 4, 2017

Dear Pamela Monroe,

Dear Sir or Madam

While it is frustratingly obvious to me that Eversource has unlimited funds and is willing to spend it, I am also completely flabbergasted by the willingness of the officials who are charged with protecting our beautiful way/quality of life to stand aside and let a "for profit organization" hold the public hostage for its private gain.

Sincerely,
Peter Lion
