Dear Pamela Monroe,

I, my family, and my neighbors are against the Northern Pass. Tourism is the future of Coos County and the views are what draws people. We moved here and built our home overlooking Whitefield and the beautiful views of the Presidentials. Without a doubt Northern Pass will be a scar on that view and will devalue our home. Please consider the economic future of Coos County and the North Country and do not allow Northern Pass to continue.

Sincerely,  
Kristina Ennis
