Dear Pamela Monroe,

Northern Pass gives / does NOTHING for NH. We get no jobs - no electricity - NOTHING. We are merely a destructive path for companies to destroy our demographics, property values, tourism that brings us revenue.

Take the path down the Connecticut River on the Vermont side. This is a rotten deal Hillary and Obama made years ago that was thrust down our throats. We had no say in this matter. This monstrosity will go through over our dead bodies. STOP this insanity. Vermont is a socialist state - let them do this dirty deed.

Sincerely,
Shelly McLaughlin
