Dear Pamela Monroe,

There is nothing that will come good for our whole state if this is aproved. I live in the south oppose tnis project. The parts like plymouth that would be buried right down the main street. Their toursim the life of the community would be gone. The rest would be an ugly scar worse than we already have. It would take 3 yrs to build it & it would cause irrepirable damge to the state.

No to the No to the Northern Pass

Sincerely,
Dwight Hogancamp
