THIS IS AN ABSOLUTE DISGRACE!!! WHERE ARE YOU, GOV. SUNUNU? It's OKAY if the landscape, our businesses/tourist industry (which is ALL we have left up here...) and our friends' homes along the route are COMPLETELY RUINED??? Bet things will be a lot different if they were going through Waterville Valley! WATCH OUT! Governor because THIS IS ONLY THE BEGINNING for Northern Pass - they have two other lines coming down through our beautiful state after this...

This IS and ALWAYS has been - ALL ABOUT GREED. Let's get a commission set up to see WHOSE POCKETS HAVE BEEN LINED!

The State of New Hampshire benefits NOTHING from this project...

Eversource, Gov. Sununu, and all Pro Northern Pass folks - I HOPE YOU SLEEP WELL AT NIGHT - KNOWING YOU HAVE DESTROYED SO MANY BUSINESSES AND HOMEOWNERS' PROPERTIES - NEVER MIND THE BEAUTIFUL LANDSCAPE THAT ONLY EXISTS UP HERE IN THE NORTH COUNTRY...SHAME on YOU.

Small business owner and resident of The North Country!
