

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Peter Graves
CommenterCity	Kensington
DateReceived	11-18-2017

### CommenterWords

Please stand up for the environment and our future. It's up to you to do the right thing, not just for today and tomorrow but for the generations being born today and theirs ahead.

The potential gain from the Northern Pass is temporarily, the damage is permanent.
