Please consider the scenic beauty of our state when you evaluate the Northern Pass project. Our views are so iconic that Martin Luther King referred to our state in his I Have A Dream speech. He asks us all to "let freedom ring from the prodigious hills of New Hampshire." Henry David Thoreau talked about nature and the wild as an integral part of how we discover our human spirit. Please help save our state's beauty and our open invitation to all to share our sense of the wild in New Hampshire. Say no to Northern Pass. Thank you.
