

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Scott Gilbert
CommenterCity	Berlin
DateReceived	11-19-2017

### CommenterWords

The DOE chose to ignore the negative impacts that Northern Pass will bring to NH and therefore it is imperative that the SEC realizes that NH does not want Northern Pass. The negative impacts are clear. The opposition is clear. Do not approve the project. The people of NH have spoken and clearly are against this project.
