Subject: NO to Northern Pass

On the off chance that I have not already voiced my objections to this destructive project, please allow me to express my deepest hope that sanity will prevail over profit.

Bethlehem is a town that is struggling, as are many Northern NH towns, to make the beauty of our surroundings available to tourists that we may earn a living. 8 story towers, the destruction required to bury lines, etc. will gut us. Absolutely gut us. Please, please, please shut this ill-advised and beneficial to only a handful of people project down completely.

Thank you,

Amy
