Subject: Northern Pass

Pamela,

I have been very concerned about the Northern Pass project and the impact it will have on the growing travel, tourism and hospitality industry along Route 302 in Bethlehem, NH. This industry is just starting to get back on its feet again and I believe the addition of a 9-10 story towers and a Transition Station on Rt. 302 will adversely affect the natural beauty that visitors come to see.

Also, I am gravely concerned about the affect the Northern Pass will have on the traffic flow that Bethlehem business depends on.

I would like this submitted as a public comment.

Thanks for your consideration,

Jane Storella,
Bethlehem, NH
