

Northern Pass Citizen's Comment – Opposing

As a citizen of New Hampshire, I am opposing the Northern Pass project because: It is going to
ruin the beauty of NH. we could spend all that
money on something better. The energy isn't even going
benefit NH. Business can't just shut down for months
when the pass is putting up and/or bury the lines. I'm a
hair salon in Plymouth and putting this thing through would devastate
my business
