

Northern Pass Citizen's Comment – **Opposing**

As a citizen of New Hampshire, I am opposing the Northern Pass project because: *It will destroy the essence of what draws people to the North Country. It will permanently mar the magnificent vistas and irreparably change the perception of the area as a refuge and destination to be sought as such, something which people have been trying to nurture and preserve for more than 100yrs. Millions of visitors' dollars and many more millions of dollars invested in property are testament to the wisdom of these goals and the Northern Pass project is diametrically at odds with these efforts.*
