Subject: Northern Pass

As a long term resident of Bethlehem, I am strongly opposed to the Northern Pass and ask the SEC to reject the proposal. In addition to its negative impact on our economy in terms of tourism and recreation, it will also add to the already critical labor shortage in the North Country. I work in the health field and finding staff is extremely difficult. Statewide there is a workforce shortage, and a major selling point used to attract workers to New Hampshire is the beauty and the quality of life. The Northern Pass will irreparably damage both. Thank you, Linda Goldstein, Bethlehem, NH
