### CommenterWords

We do not want this power transmission line (monstrosity) called Northern Pass (or any other companies) tearing up the land leaving a permanent scar destroying the scenery in the name of profit for a foreign company. My wife and I operate a scenic flights seaplane business and depend on the beauty of New Hampshire for our lively hood. We DO NOT WANT THIS, WE DO NOT NEED THIS AND YOU SHOULD BE ASHAMED FOR LETTING THIS DRAG ON WITHOUT DOING WHAT THE PEOPLE WANT, KILL THIS ABORTION.  
Sincerely, David Cameron French
