

Northern Pass Citizen's Comment – Opposing

As a citizen of New Hampshire, I am opposing the Northern Pass project because: it will take
away from our local businesses. The town of
Plymouth lives downtown. We support each other
and help each other. The Northern Pass will
take away from these businesses. Personally, I live
downtown and don't want to move or see my
friends suffer from the Northern Pass. Find another
energy source that won't destroy a town and
what we built.
