

Northern Pass Citizen's Comment – **Opposing**

As a citizen of New Hampshire, I am opposing the Northern Pass project because: It is a
terrible thing to do to our state. The fact that this
project has moved forward to this point astounds me. To ruin
our beautiful state is so wrong. It is big business and
greed that drive this action. What about us? Most citizens do
not realize the impact that these gigantic poles will bring.
In my case, it will ruin our property and will be undesirable
to live here. No one will want to buy our property with gigantic
poles in our view. We do not need to do this. Lets preserve the
beauty + well being of our state and do the right thing for all.
