Dear Pamela Monroe,

I dont know why so hard to for people who are supposed to be oh so smart and for the people to comprehend that the majority of the people from New Hampshire are against this project. I've lived in New Hampshire for 90% of my life and i would HATE to see our beautiful countryside scarred by this hideous project! I have land in Canaan that ive been going to since i was 6 months old and best believe if this project was cutting through my land you'd have to take it from my cold dead hands.I think the reasons the people are against this project are obvious and plentiful. I think this project is a joke and not in the best interest of the people landscape or wildlife of our beautiful state which is why I, Xavier Cintron, stand with thousands of others to say NO TO NORTHERN PASS!!!

Sincerely,  
Xavier Cintron
