Date: Tuesday, December 19, 2017 8:32:09 AM

My name is John Randlett, a selectman in the town of Plymouth NH. Northern Pass is wrong for NH, and for Plymouth, the disruption of business in the town would be devastating. Some would not be able to Financially weather the disruption. Please do not approve Northern Pass. They are currently being given favorable consideration, they are not in compliance with normal protocall and state requirements.
