Dear Pamela Monroe,

I do not think that a foreign country (Canada) should be allowed to use our state as a way for them to profit at our expense. It is going to obstruct views, mar our land, keep some people from access to businesses. Why would we want that?? Please don't allow this to happen. Animals are going to be displaced and scared because of the intrusion. Towers are ugly to look at. I beg you not to allow this. If this goes through, I certainly can never vote for Sununu again. If I had known he was for this, I would not have encouraged folks to vote for him.

Sincerely,
Margaret Elliott
