8 Companion Rd
Deerfield, NH 03037

December 19, 2017

Dear Pamela Monroe,

Any benefits to New Hampshire would only be short term at best, the destruction and abuse of New Hampshire will be forever. All the power is going to Boston NO BENEFIT to New Hampshire only destruction of our state, and property taken away from our residents
How would you like your property to be taken or have a right of way through your yard?

Sincerely,
Richard Hinkson
