SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Nancy Pollard
CommenterCity	Keene
DateReceived	12-19-2017

### CommenterWords

I do not believe Northern Pass is right for NH, for all the reasons people have expressed. It is a travesty for those whose property will be affected, will not created many permanent jobs, and will forever alter NH landscape. .. It does not make economic sense.... The benefit is just not there. Please do not allow this to go forward.
