Subject: Public comments for Northern Pass
Date: Wednesday, December 20, 2017 8:34:04 AM

Dear SEC Members,

I am opposed to Northern Pass. I believe it will destroy our land and ecosystems, our beautiful scenery, our tourism economy, disrupt the lives of NH citizens for years to come. This is not in the best interest of the people of New Hampshire. Please take the serious destruction this project will bring to NH into consideration. It is your duty abide by the people's wishes and oppose this project.

Thank you,
Deborah Hurley
17 Loon Lane
Ashland NH 03217
