

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	John Hallengren
Tilton	Chesterfield
DateReceived	12-20-2017

### CommenterWords

Power source should be acquired within the continental USA. What happens if there is government argument between the US and Canada? They flip the switch and we are screwed! We don't want our money flowing out of the country for something we can get here!
