I am begging you. PLEASE put the lines underground in Whitefield! I have spent all of my savings \$400,000. 00 on restoring our farm in the historic Rt3 byway. I have a historic farm on scenic byway Rt 3 and the lines will destroy the views from my Farm!!!!!! The hotel MT View is directly behind me!! I have witnessed hundreds of tourists stopping to take pictures of the iconic view I have from my Farm all four seasons. It is your conscience and your duty to prevent the devastation we have seen in Quebec. Please please. Underground or stop this dead in its tracks. Your citizens have spoken. You owe it to us to listen to our pleas. I came to you in your hearing asking for your help. Thank you. Wendy Doran. Rolling Hills Farm. Whitefield NH
