Dear Pamela Monroe,

Dear SEC members,

I am apposed to Northern Pass. I have not been shown how it will be beneficial to the people of this state. We have a many people who are dependent on the land for farming and tourism to make a living. This way of life would be changed for ever. What you propose to do is not in line with what our state needs. The future of all who live here now later generations lies in your decision. Think of what is best for New Hampshire's future.

Sincerely,
Deborah DelBuono
