Dear Pamela Monroe,

I stand strongly opposed to the Northern Pass project on the grounds that it is 1) unnecessary for the people of NH, 2) destructive to our natural environment, 3) a blight that will diminish our tourism industry, 4) an unfair burden to those residing in proximity to the proposed path, 5) something that cannot be "undone".

Our natural environment is the crown jewel of our state - the envy of many who no longer have such pristine and precious land to call home. We must not throw it away: there is no going back.

Thank you for your time and careful consideration.

With Respect,  
Karen Merriam
