Dear Pamela Monroe,

I am a property owner in Holderness and a frequent hiker throughout the White Mountains. I am opposed to the Northern Pass. I believe that the benefits to NH fall short of what is required to permanently harm the beauty of NH's best natural resource, namely its beautiful rural, rugged landscape. It is this beautiful landscape which makes NH the wilderness playground of the entire New England area and provides not just serenity, but tourism and jobs to our state.

Sincerely,
Morgan Jones
