Docket No. 2015-06, Northern Pass - Public Comment

From Nottingham N.H.

I DROVE DOWN TODAY 12/21/17, IN
PERSON MAKING SURE I MADE A PRESENCE.
Everybody is so busy right now? Anybody
who wants to keep the quality of life &
the preservation of our state forests &
scenery should be objecting to a clutter
of poles & wire in our view, to the N.PASS Plan.

Most of the energy is ~~suppose~~ ^{will go} TO
GO TO MASSACHUSETTS & half the workers
will probably be from there.

We've already got them RACING
through the woods on there ATVs & SKIMMABLES
^{SCRAMING} wild animals ^{they} aren't safe at all they get
run ~~over~~ over on the highway excessive
speeds of our worst drivers from the south ~~(N.H.)~~

~~we try to enjoy~~ way of life; enjoying
space, peace & quiet, and an consideration
of our neighbors. ~~we will be~~ ~~take N.PASS~~

~~same one said "war is good for~~
~~the economy" - we got to be more conservative.~~
~~I'm from Berlin N.H., which is horrible to~~
~~live there is your~~ ^{in BIR} ~~ATTITUDE~~ ~~AT THE PARK!~~

~~FBI SHOULD NOT BE THOUS~~
~~FOR THE EVERSOURCE-NORTHERN MASS~~
~~COOPERATION, THERE'S OTHER WORK OUT~~
~~HERE~~

WE JUST GOT DONE STOPPING
NEIGHBORHOOD GUARDIANS
U.S.A. SPRINGS FROM SELLING OUR GROUND
WATER. LEAVE THE MTS. + VALLEYS BEAUTIFUL.
SO MAKE THIS STATE ATTRACTIVE NOT
SCARED UP + UGLY FOR A FEW SHORT
YEARS OF WORK + ENERGY WE DON'T NEED
THEY'VE ALREADY WRECK QUEBEC FOREST LANDS.

LET'S RESPECT THE PEOPLE WHO
BEEN DOWN HERE FROM CALBROOK +
COLUMBIA + GO BACK HOME AND APPRECIATE
THE SERENITY WHEN THEY SIT ON THEIR PORCH

N.H. CAN GET ALONG WITHOUT THE
CRAWL FROM MA. + DON'T BE CUTTING
THROUGH THROUGH OUR FORESTS.

KEEP IT SCENIC N.H. + WE'LL GET
THE TOURISTS AND SLOW DOWN.
