Dear Pamela Monroe,

Please, Say No to Northern Pass. Northern Pass threatens the health, safety, and welfare of the Ashland community. My wife and I have a 2.5 year old and another one due December 31st. We have great concerns about raising our children in a community with a project like Northern Pass running through our community. We moved from a community with such power lines running through it, and they are harmful and ugly. It will harm the ecology, and harm the economy; it may even harm our people. I won't vote for anyone who supports Northern Pass, even indirectly.

Sincerely,

Tejasinha Sivalingam
