SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Stephen Scholz
CommenterCity	Northwood
DateReceived	12-21-2017

CommenterWords

I implore to deny this application. It will be a permanent scar on the pristine beauty of New Hampshire. Temporary impacts will adversely affect businesses and the gain to rate payers is miniscule. Other less damaging projects are possible and being considered. Do the right thing; Say No to Northern Pass, thank you. Stephen Scholz.
