Dear Pamela Monroe,

Dear Pamela Monroe:

I oppose Northern Pass for various reasons:

- 1) The benefit to New Hampshire would be minuscule.
- 2) Consumers would be forced to foot the bill for burying the line from Canada through the US states.

Please refer to Judy's Blog where she details the problems with the Northern Pass. I agree with everything she writes, and I couldn't reiterate it any better than she has.

Sincerely,
Linda F Wade
