To whom it may concern;

Although I do not live in a municipality that is directly impacted by the construction of the northern pass, I am a resident of NH and enjoy the beauty the our state offers. I am opposed to the construction of the northern pass as I feel it will detract from that beauty that people travel from around the world to enjoy. That beauty is such a large part of the economy in areas that depend on tourism that will be negativity impacted by this project. I urge you to reject this project. The jobs will be temporary and the taxes assessed will be fought at a later date.

Thank you,  
Tim St Onge.
