I do not support the Northern Pass. My roots are in the North Country. The Northern Pass will destroy the beauty of the land. It will not be hidden. The lines will be horrific to the natural landscape of our land, hills and mountains. Greed is the source of this project. It will not benefit the people of New Hampshire. It will not provide the jobs for our people. It will provide short lived employment - not careers. We need to be heard now- that the people of New Hampshire - do not support the Northern Pass. Please keep New Hampshire unharmed and untouched.
