Subject: Request that NH SEC file a Motion to Intervene for CP#16-21-000

January 10, 2016

To Ms. Monroe and the NH SEC:

It was brought to my attention that the SEC will be meeting on January 12, 2016 to discuss whether to file a Motion to Intervene for the Kinder Morgan/TGP Northeast Energy Direct (NED) pipeline (Docket CP#16-21-000).

As a NH resident and one who will be negatively impacted by this pipeline, I encourage the SEC to file a Motion to Intervene. I hope that you would intervene in favor of the thousands of NH residents and wildlife who will lose land, clean water, clean air and peace of mind. If the SEC still believes NED is a good deal for NH, I encourage them to do more research.

Sincerely,

Gina Rosati
