**Subject:** Response to Request for Advance Public Comment on Rules Related to Certificates of Site and Facility, Site 300.

February 29, 2016

Site Evaluation Committee  
Pamela Monroe, Administration  
21 Fruit ST, Suite 10  
Concord, NH 03301

Dear Ms. Monroe:

I am writing to you to request that the SEC please give us more time for comments. Many of us do have something to say about this process and would like to be able to. Could you also include a Comprehensive Health Impact Assessment in the EIS. This would make many of us who do suffer from such things as COPD a little more relaxed knowing that you are looking out for our best interests.

Sincerely,

Laura & Ken Lynch  
185 Moran Rd  
Temple, NH 03084
