Ms. Pamela Monroe, Administrator
New Hampshire Site Evaluation Committee
21 South Fruit St.
Suite 10
Concord, NH 03301

Dear Madam Administrator,

Please accept our concern about the proposed threat of any organization outside the governance of each New Hampshire town having control of that town's roads, highways or rights-of-way of any utility's infrastructure either above, below or across them and leave that control only in the hands of the leadership of each town.

We trust that you will relate our feelings to the Site Evaluation Committee during the decision about this subject.

We are yours with concern for the well being of our State's beauty.
