To: Pamela Monroe
Subject: New Hampshire SEC Docket No. 2016-03

To: Members of the Site Evaluation Committee:

As a homeowner and long time resident of Franconia and property co-owner of Littleton (and Dalton), I fully support the Petition for the SEC to issue a declaratory ruling per Docket No. 2016-03.

The Petitioners are asking for a declaratory ruling from the SEC barring Northern Pass Transmission the use of locally-maintained roads without municipal permission. I am in support of this petition, both for the town I live in and the towns I co-own property in, and for the other petitioners involved.

I urge the members of the Site Evaluation Committee to issue this declaratory ruling.

Thank you for your consideration.
