Dear Ms. Monroe,

The purpose of this letter is to defend the principal of Home Rule as it relates to municipal roads. We, the Board of Selectmen of the Town of Sullivan, support the petition put forth by the Towns of Pittsburg, Clarksville and Stewartstown; which opposes any attempt by a utility to appropriate municipal rights of way without consultation or approval from the municipal governing authority as it relates to high voltage electric transmission lines within the right of way.

Sincerely,

The Sullivan Board of Selectmen
