The Board of Selectmen of the Town of Albany has read the Petition for Declaratory Ruling filed by the Towns of Bethlehem, Bristol, Easton, Franconia, Northumberland, Plymouth, Sugar Hill and Whitefield and dated December 19th, 2016.

The Town concurs with the analysis submitted in the Petition and specifically rejects the concept that a state agency can arbitrarily usurp the specific authority of towns to manage utility usage of town road rights of way.

Please accept this letter in support of the Petition for Declaratory Ruling. This position was adopted on February 1, 2017 at a duly warned meeting of the Albany Board of Selectmen."

Kind regards,
The Albany Board of Selectmen
