**Re: SEC Docket No. 2018-02, Petition for Declaratory Ruling of New Hampshire Transmission, LLC
Regarding Transmission System Upgrade at Seabrook Substation**

Dear Mr. Manzi:

I am writing to you in my capacity as Administrator of the Site Evaluation Committee. On May 8, 2018, the Committee received a Petition for Declaratory Ruling in the docket listed above. Specifically, the Petitioners requested that the Site Evaluation Committee issue a declaratory ruling on an expedited basis that a proposed upgrade to portions of the Seabrook Substation does not constitute a sizeable addition or change to an existing facility within the meaning of RSA 162-H:5, I. A hard copy of the Petition has been sent to you via first-class mail and is also being sent electronically in .pdf format.

RSA 541-A:39, I, provides that all affected municipalities shall receive notice and be afforded a reasonable opportunity to submit data, views, or comments with respect to any action within its boundaries that directly affects the municipality. If you wish to intervene as a party in this docket, it will be necessary to file a motion to intervene, consistent with RSA 541-A:32 and the N.H. Code of Admin. Rules, Site 202.11.

If you would like to be added to an electronic distribution list in order to receive e-mail notifications of all filings in this docket, if you have any questions about the Site Evaluation Committee process, or if you wish to submit any comments about the filing, please contact me by e-mail to pamela.monroe@sec.nh.gov or at (603) 271-2435.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Monroe".
