

**STATE OF NEW HAMPSHIRE  
SITE EVALUATION COMMITTEE**

**Docket No. 2018-02**

**Re: Petition for Declaratory Ruling of New Hampshire Transmission, LLC,  
Regarding Transmission Substation Upgrade**

**ORDER AND NOTICE OF SITE VISIT**

On June 21, 2018, the Presiding Officer issued a Report of Prehearing Conference and Procedural Schedule (Order) that among other things, scheduled a site visit in this proceeding. Site 202.13 (a) provides that the Subcommittee “shall conduct a site visit of any property which is the subject of a proceeding if requested by a party, or on its own motion, if the subcommittee determines that the site visit will assist the subcommittee in reaching a determination in the proceeding.” The Subcommittee has determined that conducting a site visit would assist it in considering the Petition filed in this docket and making a determination in this proceeding. As provided in the Order, a site visit in this docket will be held on **July 12, 2018**, starting at **2:00 p.m.**, beginning at the New Hampshire Transmission Substation, **626 Lafayette Road, Seabrook, New Hampshire**.

All parties and the public may attend the site visit at their own risk and expense. A portion of the site visit will occur within the protected and secured area of the facility. In order to attend the site visit members of the public must notify Pamela G. Monroe, Administrator, via telephone ((603) 271-2435) or by e-mail (pamela.monroe@sec.nh.gov), no later than **12:00 p.m. on July 5, 2018**. Persons wishing to attend the site visit within the protected area must complete a visitor request form that requires certain personal information. Access to the protected area may be denied to any person due to safety or security concerns.

SO ORDERED this twenty-ninth day of June, 2018.

Michael S. Giaimo, Presiding Officer  
Site Evaluation Committee
